EXPERIENCE

Operator Manager, QLine Logistics Jan 2016- Feb 2019

New York, NY

- Managed a team of dispatchers to ensure that they book best loads and provide clean instruction to our drivers
- Responsible for operation safety management; tracked driver's logbooks to make sure that they followed all the safety regulations
- In charge of scheduling fleet maintenance and informed all drivers to keep their fleet's maintenance up to date
- Trained new employees and gave them all the necessary trainings to keep our company brand and quality at the highest level
