SUMMARY

Recent graduate of The Software Guild Java Coding Bootcamp with experience developing full-stack web applications using Java, Spring Framework, SQL, HTML, CSS, and JavaScript. Multilingual (Russian as a native speaker, fluent in English, Spanish, Portuguese and German). Strong communication and marketing background with diverse experience in education, marketing, and journalism. Interests in programming, yoga, foreign languages, and psychology. Well-organized as a self-starter as well as in a collaborative environment. Seeking a position in Web Development that will utilize my skills in HTML, CSS, SQL, JS/React and Java.
